I have read ~~the~~ ~~branches~~ parts of
the Manual in the light of the suggestion

the question with the Comptroller

I do not think the Manual can be

of Correction slips as the Manual is not
purely an Account one -

The ^{proper} ~~book~~ course appears to be
~~for the~~ for the Secretariat to be responsible
for keeping the book up to date by the issue
of Correction slips. Such slips may
be issued after obtaining drafts from
the Comptroller in Account matters
~~It would~~ would

be better still if Correction slips are
issued simultaneously with the
issue of orders necessitating them,
and if such slips bear serial numbers.

The present practice of ~~waiting~~
postponing the issue of Correction
slips until they have gathered
respectable proportions is not working
satisfactorily and leaves their issue
to chance

The Manual is to be
revised at all, it is
best done after the
next session of

worked some time &
after Minor Municipal

OFFICE OF THE COMPTROLLER TO THE
GOVERNMENT OF HIS HIGHNESS THE MAHARAJA
OF MYSORE

Dated, Bangalore, the 11th Mar 1912

FROM

M N KRISHNA RAO, Esq, B A,

Comptroller to the Government of
His Highness the Maharaja of Mysore

To

B. Ramaswamayya,

, Esq, B A , B.L. ,

Secretary to the Government of Mysore,

REVENUE Department

SIR,

I have the honor to state that corrections to the Municipal Account Manual relating to both administrative and account matters are at present issued by this office on receipt of Government Orders relating thereto. In view of the fact that this office deals only with questions affecting the account procedure directly, it is desirable that correction slips relating only to this portion of the - Manual are issued by this office, and that correction slips relating to other matters such as budget procedure, review of demand, collection and balance, revision of taxes, levy of taxes, &c., are issued from the Secretariat. For this purpose a re-arrangement of the subject matter of the Municipal Account Manual so as to keep the matters connected with Administration and Accounts distinct from each other appears to be necessary. If this is approved of by Government, a new edition of the Manual will be issued in due course, the draft being submitted to Government for approval, before it is sent to the Press.

2 I request that early orders of Government may be kindly obtained in regard to the above proposals.

I have the honor to be,
Sir,
Your most obedient servant,

Comptroller.
